College of Physicians and Surgeons of Saskatchewan

Complaint Reporting Form

Instructions

1. Complete this form with as much detail as possible.
2. Ensure all signatures are authorized and additional documentation is provided.
3. Mail/e-mail/fax the completed form to the College's Quality of Care, Complaints Department.

Where appropriate, the Quality of Care (QOC) department reviews all information gathered regarding the complaint. The review may take several months, depending on the complexity of the complaint and the timeliness in which responses are received. Information may be requested from other individuals who have been identified to the QOC process. In some cases, an expert opinion may be sought.

When the QOC department completes its review, its opinion is conveyed, in writing, to the complainant (if authorized) and to the physician complained about. If there are concerns about the care provided by more than one physician, please complete a separate form for each physician complained about. If the complainant is dissatisfied with the findings, they are requested to write a letter indicating the areas of disagreement. The Senior Medical Advisor will review the letter of disagreement and may decide to revisit the matter through another process.

Before completing this form, please consider that the College is not able to:

- provide diagnoses or treatment recommendations or direct the specifics of patient care;
- direct or influence the payment of financial compensation to complainants;
- adjudicate complaints without offering the physician the opportunity to respond;
- assist with concerns or complaints about hospitals, or other health care providers such as nurses, pharmacists, dentists, optometrists, psychologists, chiropractors, naturopaths, or any other health professional that is not a registered physician or surgeon – these concerns should be directed to the appropriate organization or regulatory authority;
- initiate legal action against a physician;
- arrange referrals, consultations or tests;
- contact the police on behalf of a complainant where illegal activities are suspected without the complainant's specific consent.
