

# UNIVERSITY OF SASKATCHEWAN

## College of Medicine and Nursing

**MD, RN, and RT volunteer participants needed for research on healthcare provider well-being, job satisfaction, burnout, distress, depression, resilience, and intentions to leave practice.**

As a participant in this study, you would be asked to complete a 10-minute anonymous online survey

### Who can participate?

- English speaking adults over the age of 18 years
- Be licensed as a physician, registered nurse, or respiratory therapist in Saskatchewan for any length of time
- Currently or previously be employed to work as a physician, registered nurse, or respiratory therapist in Saskatchewan from March 2020 onward (i.e., have worked during the pandemic)
