

Physician Renewal - Frequently Asked Questions (FAQ)

Where do I go to begin my licensure renewal?

You will receive an email notification from cpssreg-renew@cps.sk.ca that you are now able to renew your license for the upcoming year.

The email will include two options for you to proceed.

1. **Start Renewal Process Link** will take you to your login page. Use this link if you remember your password from last year.
Enter your username and password. Once you are logged in, you will be able to access the renewal button the “**Click Here to Proceed to Renewal Page**” from “**My Profile**” in the top navigation bar.
2. **Reset Password Link** will redirect you to our website to create a new password. Use this link if you cannot remember your password.
After you have created your new password and are logged in, you will be able to access the renewal button the “**Click Here to Proceed to Renewal Page**” from “**My Profile**” in the top navigation bar.

****Please note****, the renewal system will work best using the **Google Chrome Browser**  and using a **desktop computer or laptop**, versus a phone or tablet. It is recommended that you complete your renewal from a **home or personal computer**, rather than a Saskatchewan Health Authority or Cancer Agency Workstation, due to possible **firewall settings**.

How will I know what my username is for the Online Renewal Site?

Your **MINC number** is your username.

How will I know what my password is for the Online Renewal Site?

To successfully complete your licensure renewal online, you will require:

- Your CMPA number;
- An email address;
- A Visa or Mastercard; and
- Details of your five-year Continuing Medical Education professional learning cycle with either the College of Family Physicians of Canada or the Royal College of Physicians and Surgeons of Canada. Please see [Doctalk article 'Continuing Medical Education'](#) (*DocTalk 2022 Volume 9, Issue 1*), for more information on what you will need to provide during your renewal.

If you have submitted your renewal, you will not be able to return to make any changes. If you need to make a correction afterwards, please email cpsreg-renew@cps.sk.ca or call the College at 306-244-7355. Please have your submission number available.

What if I am thinking about lapsing my licence?

If you wish your licensure to lapse, please contact the College to discuss your options, as it may be worthwhile to complete the online process and select an Inactive licensure rather than allowing your licence to lapse.

What if I don't need to renew my licence for a full calendar year?

If you don't plan to renew your licence for a full year, please contact the College to discuss your options before you begin your online renewal.

Within the renewal system, you will have the option to select payment by:

- Visa or Mastercard
- by cheque
- by third party payment.

Note: If a third party is paying your fees, or you are paying by cheque, your renewal status will remain "incomplete" until the payment is received by the CPSS and matched with the online renewal information submitted. If there is any issue with payment, the CPSS will reach out to you directly.

When can I expect to receive my Licensure Renewal Card from the CPSS?

What if I miss the deadline for renewal?

You will be charged a re-registration fee of \$450.

How will I know if I successfully submitted my Renewal?
