

EXTRACT OF THE COUNCIL MINUTES FOR APRIL 1, 2005

225j The Associate Registrar reported there is reason to believe that Dr. Ashoka Prasad, a physician registered on a Special Licence and currently practicing in Weyburn, fraudulently obtained registration in this province. At his time of registration Dr. Prasad had advised that he held both the FRCP Glasgow and FRCPI (Ireland). When contacted both jurisdictions advised they were under the impression that the Dr. Ashoka Prasad being inquired about was deceased. In respect to his degree from Hawaii, the College has been advised that this degree was issued after information was received that a female physician who had changed her name to Dr. Ashoka Prasad wished a replacement degree in that name.

MOTION

THAT license No. 9319 Issued on December 14, 2004 to Dr. Ashoka Prasad of Weyburn, Saskatchewan is revoked immediately on the basis of his presentation of false documentation at the time of his registration in this province.
